BonVenture funds companies and organisations with a social purpose in German-speaking countries. The foundation seeks projects that are innovative with a strong social impact, are led by motivated and committed social entrepreneurs, and will be financially self-sustaining in the long term. Utilising an investment approach, BonVenture aims to invest €200,000 – €1 million per project, together with co-investors, through equity, mezzanine financing and loans. It also offers consulting and networking to its investees.
